Train services included

Inner services

London to and from Chingford

This table shows all trains that operate between London Liverpool Street and Clapton to Chingford. This table does not show the full service at Bethnal Green or Hackney Downs.

London to and from Cheshunt (via Seven Sisters) and Enfield Town

This table shows all trains that operate between London Liverpool Street, Enfield Town or Cheshunt via Seven Sisters. It also shows the limited service on these routes to and from Stratford. This table shows the full service at Cambridge Heath and London Fields, but does not show the complete service at Bethnal Green or Hackney Downs.

Outer services

London to and from Broxbourne and Hertford East

This table shows all trains between London Liverpool Street, Broxbourne and Hertford East via Tottenham Hale. This table does not show the full service at Bethnal Green or Hackney Downs.

London to and from Harlow, Bishops Stortford and Cambridge

This table shows all trains to and from London Liverpool Street that operate beyond Broxbourne to Harlow, Bishops Stortford, Stansted Airport and Cambridge.

London and Cambridge to and from Ely and King's Lynn

This table shows all services between London King's Cross, London Liverpool Street and stations between Waterbeach, Ely and King's Lynn via Cambridge. Bus connections to and from Sandringham and Hunstanton are also shown.

London and Stansted Airport

This table shows a summary of trains between London Liverpool Street and Stansted Airport via Tottenham Hale and Bishops Stortford.

Bus and rail links

'one' is working closely with local bus operators to develop improved road/rail connections and through ticketing opportunities in Hertfordshire and beyond.

Through bus and rail links

Cambridge City Link bus service

A daytime bus shuttle link is operated by Stagecoach between Cambridge Station and the city centre. It runs every 10 minutes on Mondays to Saturdays inclusive, with a journey time of just seven minutes.

Harlow Town Bus Zones

Through ticketing is available for daytime services. See details included in this publication.

Stansted Airport to Dunmow Service

Through ticketing is available on the hourly bus link operating between these destinations. See details included in this publication.

Bishops Stortford, Hertford East and Ware Plusbus Zone add on tickets

Through ticketing is available for zonal bus services operating in the above towns. See separate publicity for further details.

Telephone **08457 48 49 50** for more information.

Service alterations

We do try to minimise disruption to your journey, but it is inevitable that some occasional delays will occur. When this happens, we aim to give advance notice to as many people as possible. When disruption is severe we will do our utmost to arrange smooth running, alternative transport. Information is available on the 'one' website www.onerailway.com including real time live updates and the local radio.

Planned engineering work

During the period covered by this timetable, there will be alterations to train services because of track maintenance or infrastructure work. When this occurs, some trains may be replaced by a substitute bus service for part or all of the advertised journey. In other cases, diversions may apply between end to end locations. Adjustments to train times may be necessary and this may sometimes lead to EARLIER departures than may be expected.

To help you plan your journey in advance please visit the 'one' website for details of all planned engineering work and service alterations: www.onerailway.com

At times when we cannot run our service we may introduce an emergency or revised timetable. Information will be available at your local station, at the 'one' website www.onerailway.com or by phoning **08457 48 49 50**.

Bicycle travel restrictions

'one' welcomes bicycles on services where they can be safely accommodated. The table below details services where the carriage of bicycles is restricted. Tandems and three-wheeled vehicles cannot be accommodated on any 'one' service. Bicycles are not carried on buses that replace trains due to engineering work.

Route	Monday to Friday	Saturday, Sunday & Bank Holidays
To/From London Liverpool Street	Not permitted on Stansted Express services. Not permitted south of Broxbourne on London peak services (see Note A). Not permitted between Audley End and Ely in either direction during Cambridge morning peak (see Note B).	Not permitted on Stansted Express services
Between Ely and Audley End	Not permitted between Ely and Audley End (Liverpool Street route) in either direction on trains that call at Cambridge between 0745 and 0845.	No restriction

Note A: 'London peak services' are those trains timed to arrive Liverpool Street between 0700 and 0929 Monday to Friday and depart these stations between 1600 and 1859 Monday to Friday.
Note B: 'Cambridge morning peak services' are 'one' trains timed to arrive/depart Cambridge between 0745 and 0845 Monday to Friday.

Travel information

Special needs

We welcome customers with restricted mobility or other special needs. We have a Disabled People's Protection Policy detailing the services that disabled customers can expect when travelling with 'one'. A summary of the policy is available at all staffed stations or from our Customer Relations Manager, who on request can provide this in other formats (such as large print).

Travel information

Special needs (continued)

Our commitment to customers with special needs includes a telephone helpline **0845 600 7245** which ensures that, where possible, customers are met and assisted throughout their journey, not just on 'one' but on the wider rail network too. The helpline will also advise passengers on the access arrangements at our stations. In order to provide the best possible service we would appreciate 24 hours notice, but if this is not possible, we will still do our best to provide assistance.

To assist people who are deaf or hard of hearing, a textphone helpline is available on **08459 60 60 99**, and induction-loop hearing systems are provided at many of our ticket offices.

The National Rail Enquiry Service also provides a textphone service on **0845 60 50 600**. This service is available 24 hours, seven days each week. Calls are charged at local rates and may be monitored for training purposes.

'one' website

www.onerailway.com

Visit the 'one' website to check out how the trains are running today and view station departure screens as if you were standing on the station yourself, timetables, engineering works, service updates, ticket types, online booking, special offers and lots more. Timetables can be downloaded from this site.

Smoking

All accommodation is non-smoking.

First Class accommodation

In this timetable a **1** is used to indicate trains with First Class accommodation. On these services, First Class accommodation may only be occupied by passengers in possession of a valid First Class ticket. These services are:

London to Cambridge, Ely and King's Lynn

London Liverpool Street to Bishop's Stortford and Stansted Airport

Note that the restrictions on the occupation of First Class accommodation applies throughout the journey, and all stations at which the train calls.

On other routes it is necessary, from time to time, for trains with First Class accommodation to be used on services designated as Standard only. This is particularly the case on the following services:

London Liverpool Street to Hertford East (peak hours)

London Liverpool Street and Stratford to Cheshunt via Seven Sisters (peak hours)

London Liverpool Street to Chingford

On such trains, passengers with valid tickets may occupy any part of the train. We are working to improve the way in which the type of train can better be matched to the service it operates, but passengers from the following stations need to be aware that on some trains First Class accommodation is in force and on others it is not:

Broxbourne, Cheshunt, Waltham Cross, Enfield Lock, Tottenham Hale

Departure posters at the station confirm this information and electronic displays are to be modified to display this information as soon as possible. Please make sure you travel on the correct part of the train.

Safety information

'one' trains carry safety instructions. You are advised to familiarise yourself with this information each time you travel. In the event of an accident or other emergency, please obey the instructions given by the train staff.

Travel information

Doors closing before departure

In the interests of safety and punctuality, train doors may be closed up to 15 seconds before scheduled departure time of the train. When the doors are about to close you will hear an audible alarm and once this alarm is heard, or you see the train doors closing, do not attempt to board or leave the train as there is a risk of becoming trapped in the doors and possible injury.

In addition, front and rear coaches of trains standing in a station platform may go to different destinations. Please check the station platform departure screen or ask a member of staff for guidance before boarding any train.

Getting on or off a train

On all 'one' trains, other than Mainline Intercity services the driver controls when and where the doors are unlocked. Once the orange light appears, you should press the 'OPEN' button to open the doors. The driver will then look back along the platform to check that all passengers have got on and off the train before automatically closing and locking the doors.

Therefore, please ensure you have all your belongings, including luggage, pushchair and children, gathered together in order to leave the train in one go. Do not for example put some luggage on the platform first and then go back on board the train to collect a pushchair or the children. The driver may not realise this, thinking you are boarding the train and may close the doors behind you. In this way you will avoid the possibility of being separated from either the other people you are travelling with or your belongings.

However, if you do become separated from either your belongings or other people in your party, please contact either a member of the station or on-board train staff, (where available), who will deal with your situation immediately or alternatively if no-one is available, telephone the 'one' Customer Services Helpline on **0845 600 7245**.

How to buy a ticket

There are a number of ways you can buy your ticket. You can book in advance or turn up and go, but most importantly, you must have a ticket before you get on board the train.

Tickets are available from your local ticket office, from self-service machines, from our Ticket Sales Hotline or via the 'one' website. In addition to this, Permit to Travel facilities are available at most stations. Without a ticket or Permit to Travel, you will be liable to pay a penalty fare of £10 or twice the Standard Single fare, whichever is the greater.

Your ticket choice

Season tickets

Ideal for those travelling to work or school who need to make the same journey on a regular basis. Season tickets offer great value as the number of trips that can be made between two points is unlimited. Weekly, monthly or any duration up to annual tickets are available to give flexibility with the opportunity to make savings.

Travelcards

Travelling to and around London is so easy with Travelcards. There are three types of cards available covering all times of the day. These are the peak and off-peak individual Travelcards and the off-peak family Travelcard, for a minimum of one adult and one child, and a maximum of two adults and four children. All Travelcards offer inclusive 'one' travel to London and then when you arrive, almost unlimited travel in and around London on the Underground and London Transport buses within the zones you have purchased.

Travelcards can be bought to cover one or more of the Underground travel zones, simply ask for help at our ticket office. All Travelcards are valid for one day and there is no need to pre-book, just turn up and go!

Travel information

Groupsave tickets

Cheap Day Returns, Savers and Network AwayBreaks already offer fantastic value for money. However, if three or four adults intend to travel together in the off-peak, on any of the above tickets, then ask for a Groupsave ticket. This allows four adults to travel together for the price of just two, meaning everyone travels for half price or 3 for the price of 2 meaning everyone gets 34% off!

National Railcard discounts

There is a range of Railcards available which offer a discount of up to a third off rail journey costs depending on the time you travel. The following Railcards can all be used nationally, as well as on 'one' journeys, and last for 12 months. Railcard alternatives include:

Young Persons Railcard – available for anyone aged between 16 and 25 (or full-time mature students). The Railcard costs £20 and gives up to a third off most leisure rail travel in Great Britain.

Senior Railcard – available for anybody aged 60 and over – especially designed for those with more leisure time on their hands. Costing £20, it offers up to a third off most leisure rail travel in Great Britain.

Family Railcard – caters for family groups from one adult and child, up to four adults and four children travelling together. The card is valid across Great Britain, costs £20 and gives adults up to a third off most leisure travel and children a saving of 60% on the normal fare (minimum fare £1).

Children's discounts

Accompanied children aged four and under travel free up to a maximum of two per adult. Children aged five to fifteen inclusive are half price except where even greater discounts are provided, such as with a Family Travelcard, where children travel for just £1 from outside of the Travelcard area and 80p from within it.

(Railcard prices are correct at time of printing, but could change during the validity of this timetable).
